DETAILED ACTION

Acknowledgment

1. Applicant's Response to Paper No. 11 has been entered and made of Record (Paper No.14).

Claim Rejections - 35 USC § 112

- 2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

 The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.
- 3. Claims 55-89 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Re claims 55, 70, 74 & 83, the phrase "a single crystal silicon structure formed in said recessed region of the first layer" is unclear as where the single crystal structure is positioned in the device. Fig.9 shows recess 204 & 206, which does not have any structure.

Claims 56-69, 71-73, 75-82 & 84-89 are rejected because each includes the limitations of independent claims 55, 70, 74 & 83.

The lack of an art rejection with this Office Action is not an indication of allowable subject matter (i.e., even though the claims 55, 70, 74 & 83 are rewritten or amended to overcome the objection). The disclosure/claimed language is such that it is impractical to conduct a reasonable search of the prior art by the examiner.
